1. FCA authorized off-site hours for 1900-55, invoices, and ordering services/supplies for the Niagara Falls Boulevard Site (NFB) located at Niagara Falls Boulevard, Niagara Falls, NY. Please provide 1900-55 electronically to OSC for review.
2. T&D Coordinator authorized Off-Site hours to research T&D facility that can accept NFB waste, classification of radioactive TENORM waste (with health physicist), what containers should be used for waste, weight restrictions of containers that will transport from Niagara County Area.
3. Research clean fill dirt and rock companies. Coordinate with Weston to sample and analyze.
4. Continue to remove asphalt/contaminated material in GNBC Office area and safely remove pieces to Area 7 (DBA Rates).
5. Research cost/availability of additional equipment: Outside excavator, roll-off truck, compactor, plate compactor and concrete grinder
6. Obtain Super Sacs for mobilization.
7. Obtain another Storage Conex Container (Total 7), Skid Steer Grapple Bucket Attachment, Large excavator with thumb and wood chipper.
8. Clear vegetation north of Area 5 and install high vis fencing around Area 5.
9. FCA is authorized to create one 1900-55 for date range 07-14-2016 through 07-31-2016.
10. Individual crew members may work different positions within a work day depending on need (For example an operator could work as a carpenter one day).

OSC needs to be notified when off-site hours worked and for what specific task. **Extended work hours authorized as needed. Specific hours will be listed in next DWO.**

I certify that the above work is ordered and authorized by the contractor in the performance of the above cited delivery order.

I acknowledge receipt of this work order
